Welcome to this thoughtfully designed custom home offering approximately 2916 square feet of heated living space with a functional layout that blends everyday comfort with modern style. Situated on a spacious homesite, this 4-bedroom, 3-bath home features three bedrooms conveniently located on the main level, including a private owner's suite with a large walk-in closet and luxurious bath. The open-concept living area is designed for both entertaining and daily living, featuring a spacious family room that flows seamlessly into the kitchen and dining area. The kitchen is highlighted by a large center island, abundant cabinetry, and an impressive scullery/butler's pantry providing exceptional storage and prep space. A dedicated study offers the perfect location for a home office, flex room, or quiet retreat. The practical drop zone and laundry room add convenience to everyday routines. Upstairs, you'll find a generous playroom/bonus room, an additional bedroom, full bath, and ample walk-in storage space, providing flexibility for guests, hobbies, or multi-generational living. Outdoor living is equally inviting with a covered rear porch ideal for relaxing or entertaining. An attached two-car garage completes this exceptional home. Conveniently located with easy access to area amenities, this beautifully crafted home offers the perfect combination of space, functionality, and modern design.
